

## FIRST EUROPEAN NUCLEAR COMPETITION FOR SECONDARY SCHOOL PUPILS

**SUMMER SCHOOL  
1-5 JULY 2019  
BUDAPEST, HUNGARY**

### BACKGROUND OF THE PROJECT

The primary motivation of the ENEN+ project is to substantially contribute to the revival of the interest of young generations in careers in the nuclear sector in the following nuclear disciplines: Nuclear reactor engineering and safety; Waste management and geological disposal; Radiation protection and Medical applications

### PARTICIPANTS

The competition is open to secondary school pupils, who are currently enrolled in secondary schools in European States. Teams must have two pupil members and one teacher.

The 15 finalist teams will be invited and supported to attend the summer school in Budapest, Hungary. All expenses (travelling, food and accommodation) will be covered by the ENEN+ project.

### TASKS AND TOPICS

The task of the participants is to compose a **3-minute video** on one or more of the four nuclear disciplines. Suggestions for topics include, but are not limited to:

- Jobs in nuclear
- Create a story about nuclear
- History of nuclear science and technology
- Future of nuclear technology
- Nuclear in daily life
- Radiation for health

### COMPETITION WEBPAGE

Detailed information on administrative matters, including registration and video submission on project webpage from 15<sup>th</sup> June 2018:

<https://plus.enen.eu/competition/>

Submissions for the competition (registration form and video) should be sent to Csilla Pesznyak – at the following e-mail address:

[Nuclear.Competition@reak.bme.hu](mailto:Nuclear.Competition@reak.bme.hu)

The registration can also be completed on-line by filling in the registration form on the webpage of the competition and click on 'SEND' button.

### NEW KEY DEADLINES

**1<sup>st</sup> October 2018** - Video submission opens

**1<sup>st</sup> April 2019** - Video submission deadline

**10<sup>th</sup> April 2019** - Deadline for nomination of 15 finalists
